BEAU BIDEN FOUNDATION
FOR THE PROTECTION OF CHILDREN

WITH YOUR HELP AND SUPPORT BEAU'S DREAM WILL LIVE ON

The Beau Biden Foundation for the Protection of Children was established in June 2015 as an operating non-profit to continue Beau Biden's commitment to protecting the most vulnerable among us, especially children who have fallen victim to abuse and neglect. We believe that no child should be threatened by a predator—either an adult or a peer. We believe that child abuse can be prevented through effectively educating adults and children, developing the next generation of child welfare professionals and strengthening child protection laws around the country.

"As adults, we have a legal and moral obligation to stand up
and speak out for children who are being abused.

These children cannot speak for themselves."

— BEAU BIDEN

The Foundation's programming began in Delaware and has expanded to 12 states. Through our partnerships, we're speaking directly to adults and children about the scourge of child abuse and ways to prevent it. Our programming is rooted in the very same things Beau did as Attorney General—our mission is his mission.

CHILD SEXUAL ABUSE STATISTICS: THE NUMBERS ARE STAGGERING

- **1 IN 10 CHILDREN** will be sexually abused by the time they turn 18
- **CHILDREN WITH DISABILITIES** suffer abuse at an even higher rate
- **6 OUT OF 10 VICTIMS** never report their abuse
- **9 OUT OF 10 VICTIMS** are abused by someone they know or trust
- **35% OF VICTIMS** of child sexual abuse are under the age of 11
- **44% OF MIDDLE SCHOOL CHILDREN** report being bullied

WHAT WE DO: CONTINUE BEAU BIDEN'S COMMITMENT TO PROTECTING CHILDREN

The Foundation's focus on prevention education brings programming to adults (to recognize the signs and symptoms of child sexual abuse and ways to react responsibly if a child divulges they've been abused), to children (educating kids on good digital citizenship, internet safety and bullying) and youth serving organizations (helping them assess and improve their child protection policies, procedures and programming). Our programming impacts thousands of children and families each month.

OUR SUCCESSES INCLUDE:

- **6,200 ADULTS** trained in Stewards of Children
- **22,200 CHILDREN** trained in our Internet Safety and Cyberbullying presentation
- Shield of Protection **PARTNERS IN 12 STATES**

ABOUT THE FIRECLIFF COURSE

Desert Willow Golf Resort has emerged as the favorite place to play in the Palm Springs area for many. In fact, *Golf Digest* named the Firecliff course one of the "Places To Play." This tournament tested layout is one of only three courses in California and one of the best 50 in the United States to receive this distinction in terms of conditioning. Firecliff, measuring 7,056 yards, is a true test of skill where golfers must negotiate their way around extensive natural areas, over 100 bunkers, and numerous water features.
